

*Why  
4HOPE ?*

*!!! SPARKLE !!!*

*Hope is the sparkle of life  
... .. and the foundation of Faith.*

*Faith is trusting to believe before seeing  
... .. and the house where Love calls home.*

*We are told that Love is the greatest of these  
... .. where warmed hearts feel burdened for the broken.*

*Over time the broken heal and may be called to serve the same  
... .. for hope, for faith, for love ... .. for the miracles ... .. they received.*

*They seek out the hopeless, as once they were hopeless beyond words or tears,  
... .. Hopeless who are life and faith threatened, feeling loved-less than they should.*

*If the faith of a mustard seed can move mountains, then be still and know my friend  
... .. that Hope is the sunshine that can breathe buried dreams back to life and raise them up.*

*Hope is more precious than diamonds or gold,  
... .. without it we perish in despair;  
as Hope is the true sparkle of life.*

*Share your sparkle today,  
Give someone Hope.*
